Title: Olympic Forest Collaborative Coordinator
Location: Olympic Peninsula or Puget Sound Region
Reports To: Washington Wild Executive Director

The Opportunity
Washington Wild is looking for a passionate and skilled individual to work with members of the Olympic Forest Collaborative to coordinate their work to support restoration forestry and aquatic restoration projects on the Olympic National Forest located on the Olympic Peninsula.

The Olympic Forest Collaborative brings together stakeholders from the environmental community, the timber industry, and representatives from federal and local government around shared goals of increasing timber harvest from the Olympic National Forest while benefiting the environmental quality of our forests and watersheds. The Collaborative will work together and with federal officials to address issues that stand in the way of achieving the stated goals. Ultimately, the purpose is to simultaneously create a more environmentally sound forest, provide for increased, sustainable timber harvests on the Olympic National Forest, and provide economic benefits to timber communities on the Peninsula. This coordinator position will significantly increase the capacity of the Collaborative by accomplishing key administrative tasks, increasing the quality and volume of outreach to local stakeholders, developing relationships, and identifying additional grant opportunities for the Collaborative.

Position Summary
The Olympic Forest Collaborative Coordinator provides coordination and facilitation support for members of the Olympic Forest Collaborative. The Coordinator will provide scheduling, agendas and notes for weekly Collaborative and other stakeholder meetings, draft and post monthly updates to the Collaborative website, research information relative to the Collaborative’s work as needed, and represent the Collaborative at meetings and conferences.
